Dear Mr. [redacted]

This letter is to thank you for participating in the group interview segment of the 1979 Hope College Washington Honors Semester.

The quality of this interview segment is entirely dependent upon the willingness of individuals such as yourself to spend some of their valuable time with a group of students. Our interview at the Central Intelligence Agency was most informative. My conversations with participants indicate that the interview led to a greater appreciation of your agency. We particularly appreciate the fact that you were able to get an agency official such as Mr. [redacted] for the interview.

STATINTL

This contact with our students is a valuable means of encouraging understanding of our governmental system and is commendable.

Again, thank you for your time, and we hope to see you in the future.

Sincerely,

  
Jack E. Holmes  
Associate Professor of  
Political Science

STATINTL

I am writing to confirm your organization's participation in the group interview segment of the Hope College Washington Honors Semester.

One of the public policy areas we are looking at in this year's program is intelligence community and my records show that we are confirmed for Wednesday, January 17, 1979 from 10:00-11:30 A.M. at your Washington office. Please contact me as soon as possible if your records do not indicate a confirmed visit for this time. If our records are in agreement, no action is needed.

Our group of nineteen students and myself are looking forward to visiting your office, and I will make telephone contact with you after I arrive in Washington on January 8.

Thank you for your participation in our program.

Sincerely,

Jack E. Holmes, Director  
Hope College Washington  
Honors Semester

STATINTL

Dear Mr. [REDACTED]

I am writing to request that your organization participate in the group interview segment of the Spring, 1979, Hope College Washington Honors Semester Program.

The nineteen student participants in the honors semester are selected on the basis of academic performance and recommendations. The group includes members with majors in the natural sciences, humanities, and social sciences. During the course of the semester students have two six-week internships and three weeks of group interviews.

The group interview segment of the course involves group interviews of a variety of persons at two to four organizations involved in a particular area of public policy. We have found that this gives students a feel for the issues and an appreciation of different viewpoints.

At present we are planning to look at the intelligence community as one of these public policy areas. We would like to visit and interview at your organization's Washington office Wednesday, January 17, 1979 from 10:30-11:30 A.M. If this time and date are convenient please call or write a confirmation to my address below. I then will contact the appropriate person at your office to finalize arrangements. If this time conflicts with your schedule and you would like to arrange an alternate date, please let me know as soon as possible.

Thank you for your consideration of this request and I know the group hopes to be able to visit your office.

Sincerely,

Jack E. Holmes, Associate Professor of  
Political Science and Director of 1979
